The Lima City Schools Foundation (LCSF) promotes education in Lima by focusing on three major areas: academics, athletics, and arts. The goals of the LCSF are to support the enrichment of school curriculum and extra-curricular activities and programs, as well as work to improve instruction and facilities, and promote schoolcommunity recognition and awareness.

Donors may contribute to the LCSF in a variety of ways. Contributions are fully taxdeductible and may be distributed according to the donor's wishes.

The LCSF is associated with the Lima Community Foundation and the Dayton Foundation. This allows for excellent donor flexibility, security and tax deductibility.
