WHO IS HOMELESS?

(McKinney-vento Homeless Assistance
Act of 2001 -
Title X, Part C, of the No
Child Left Behind Act-Sec 725)

The term “homeless children and youth”-

A. means individuals who lack a fixed, regular, and
adequate nighttime residence...; and

B. includes-

i. children and youths who are sharing the housing of other
persons due to loss of housing, economic hardship, or similar
reason; are living in motels, hotels, trailer parks, or camping
grounds due to the lack of alternative accommodations; are
living in emergency or transitional shelters; are abandoned in
hospitals; or are awaiting foster care placement;

ii. children and youths who have a primary nighttime residence
that is a public or private place not designed for or ordinarily
used as a regular sleeping accommodation for human beings...

iii. children and youths who are living in cars, parks, public
spaces, abandoned buildings, substandard housing, bus or train
stations, or similar settings; and

iv. migratory children...who qualify as homeless for the purposes
of this subtitle because the children are living in circumstances
described in clauses (i) through (iii).

EDUCATIONAL RIGHTS

Under the McKinney-Vento Act, children in homeless
situations have the right to:

Go to school, no matter where they live or how long they
have lived there

Attend either the local school or the school of origin, if this is
in their best interest; the school of origin is the school the
child attended when he/she was permanently housed or the
school in which the child was last enrolled

Receive transportation to and from school of the origin

Enroll in school immediately, even if missing records and
documents normally required for enrollment such as birth
certificate, proof of residence, previous school records, or
immunization/medical records

Enroll, attend classes, and participate fully in all school
activities while the school arranges for the transfer of records

Have access to the same programs and services that are
available to all other students including transportation and
supplemental educational services

Attend school with children not experiencing homelessness;
segregation based on a student’s status as homeless is
prohibited
